ADMIRAL SCHLEY said that if somebody will give him a home it would enhance his happiness, and a young lady thirsting for notoriety at once started an endless chain to beg money for another costly home for a man of wealth. There are plenty of toa lies to beg for the rich, but we have heard of no one passing the hat for the poor widow of the brave private who died for his flag.

THE number of individual depositors in the banks of the United States is coneta:..!ly increasing, as indicated by the regular increase in the number of deposit accounts of the combined hanking sys ems, estimated as follows: July 12, 1887, 7,203 banks, reporting 6,708,791; July 18, 1894, 9,508 banks reporting 8,993,766; June 30, 1899, 9,732 banks reporting 11,430,636. The estimated grand total of the year 1899, based upon banks reporting and statistics as to nonreporting banks obtained from tax returns to the commissioner of internal revenue, shows 13 153,784 deposit accounts in 12,804 banks.

COPPER IS THE MUTAL

The Cochise Copper Mining Company, Bisbee, Arizona.

This company owns a very valuable group of mines situated in Warren mining district, county of Cochise, Arizona, lying immediately east of and adjoining the town of Bisbee, and adjoining the property of the Copper Queen Consolidated Mining company on the north. The latter company has been in operation for about twenty years, and employs about 1,500 men daily in the operation of its mammoth Phonunatism often causes the most in mine and smelters, and as a result tense suffering. Many have for years has produced copper to over 34,000,000 vainly sought relief from this disabling pounds during the year 1898, and the ever. Is it not reasonable to believe that the property of the Cochise company is unable to get the slight fully as valuable, when it is within such close proximity to such a wonderful mine?

The blasts set off in the underground workings of the Queen property can from November to March easily be felt and heard at the shaft of our mine, and oftimes the concussion has attracted marked attention.

The original owners of these valuable mines are local business men, well and favorably known in Bisbee and surrounding vicinity, who are doing their utmost to make this enterprise a uccess in every respect. The board of directors are original owners, and are donating their services to the company until such time as the mine will pay dividends. They own the controlling interest in this property, and as a protection to stockholders have placed their entire interest in escrow for a term of one year.

The stock books of our company are now open for subscriptions, and a limited number of shares are offered at ten cents per share. No application for less than 100 shares will be accepted.

The company reserve the right at any time to advance the price of shares without further notice, or to reject any application for stock at their discre-
